✓ Text Messages

Want to send text message alerts on top of the voice message that you sent out? Our credit plans offer a new feature: text messages!

What Are Credits?

Our credits are based on the length of the message you send out. Each credit is good for up to a 30 second message. If you need to send out a longer message it's just 1 credit per additional 30 seconds. With text messaging 1 credit = one text message. You will not be charged a credit for bad phone numbers or failed call attempts.
