About 1st United Methodist Church of Unadilla

As followers of Jesus, we at 1st UMC of Unadilla are called by God to reach out to those around us through acts of service and compassion and through the sharing of the good news of the gospel. We offer a wide variety of opportunities to reach out to others in our church, in our community and around the world. God has called us to go beyond the walls of our church building and reach out to the neighborhoods around us. We rely on many volunteers to serve and reach out to others in service projects with local non-profit partnerships in the community.

As we look to future mission outreach, we see ourselves and our church family growing individually and collectively. We are beginning to feel a tug to reach out further as we reach out to our family, friends and our community – whether that means our neighborhood, other areas in our region or around the world. As we reach out, we'll equip and lift each other up to accomplish those things that God reaches out to tell us to fulfill in our world.
