

Send Property Management & Community Reminders

The Number One Solution For Your Community Reminders.

North Ridge residents: the Baron Lane entrance and 800 block parking will be CLOSED until further notice for construction.

We have openings! Reply to this message to be first on the list for our new units opening this fall.

DialMyCalls.com is used by hundreds of property management companies, communities and neighborhoods around the country. With DialMyCalls you can easily send phone calls, text messages and/or emails in seconds to all your residents. It's entirely web-based with no equipment or hardware to purchase. Our services are available in the United States as well as Canada.

Why Use DialMyCalls For Your Community?

Send Community Reminders & Neighborhood Alerts

Managing several properties is a daunting task and our mass notification system makes contacting the HOA managers as well as all of the residents of each property quick and easy. That's why so many property management groups and communities around the country rely on DialMyCalls for their mass communication needs.

Calls & Texts Are Powerful

94% of calls and text messages sent are read/heard within 5 minutes. Voice and text message broadcasting are a powerful way of making sure your message is received in a timely fashion. Emergency situations are a prime example of when people need to hear the information that you're sending them immediately.

Try Us Free

Signing up for DialMyCalls is absolutely free so you can try our service to see if it will benefit both yourself and your property management group.

With our free service you will be able to send a single voice message to up to 25 phone number contacts once a week.
